Memorable Moments in Diocesan History - 1820 Bicentennial 2020 – 200 years

On June 9, 2020, protestors marching against bigotry and for inclusion tore down Richmond, Virginia's statue of Christopher Columbus. Perhaps their decision would have been more difficult had they known that the statue's erection was intended as a gesture of inclusivity—and drew protest for that reason! In 1925, Richmond's Italian-American community planned to erect the statue to show that Italians and Catholics had a rightful place in the American story. They were initially refused by a city council swayed by protestors who believed that the presence of a “foreigner” and “Catholic” like Columbus on Monument Avenue would dishonor the Confederate generals memorialized there. Eventually, a compromise was reached that allowed the statue to be erected—but only if it was placed at a respectful distance from the Confederates.

Almighty God, bless our nation and make it true to the ideas of freedom and justice and brotherhood for all who make it great.

Guard us from war, from fire and wind, from compromise, fear, confusion.

Be close to our president and our statesmen; give them vision and courage, as they ponder decisions affecting peace and the future of the world.

Make me more deeply aware of my heritage; realizing not only my rights but also my duties and responsibilities as a citizen.

Make this great land and all its people know clearly Your will, that may fulfill the destiny ordained for us in the salvation of the nations, **and the restoring of all things in Christ.**

AMEN
