**Saint Joseph the Worker Ministry
Kudos and Opportunities (Winter/Spring 2021):**

Kudos: A special thanks goes out to the following parishioners for their contributions.

Mary Frances Snyder for identifying the manual locking bolt mechanisms in the doors of the Women's and Men's bathrooms in the Parish Hall as a potential safety and security risk; **Kathy & Carmen Perri** for donating two sets of locking door handles for installation; and **Paul O'Callaghan** for professionally installing the door handles. .A prime example of our parishioners coming together to improve life at Saint Victoria.

John and Thom Reutter for removing the large cedar tree stump that presented a potential safety hazard along the right side of the church's exit driveway. These guys always get it done!

Austin Vinyl Siding - Although not a member of the parish, Chris Austin and his crew have provided timely and professional services to the church over the past several years. Their latest effort has been the replacement of the roof over the Parish Hall and Classroom Annex. Please give Chris a call at 434-473-4298 if you have any siding or roofing work that you need done.

Opportunities: Watch this space for future opportunities to make a contribution to Saint Victoria's parish community by sharing your talent and/or providing a little sweat equity. If you have a project in mind, and know how to do it, we can get it done once it's reviewed and approved by the parish's Finance and Parish Councils. Please contact Tom Harkness (703-203-7929 or trharkness@msn.com) with questions, suggestions, and to share your talents.
